### **Create more with Microsoft templates**

Totally fascinating book that I am about to re-listen to (especially chapter 19). I am finally learning about money and investing after 34 years of ignoring my finances. This is the first finance book I've found that goes deeper than the numbers, to think about human behaviour and what money actually means.

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
